2-Tape all sides of box securely.

3-Fill out return address on merchandise return label. Please print clearly.

4-Affix the label squarely onto the parcel, covering up any previous delivery addresses and barcodes without overlapping any adjacent sides. If tape or similar material is used, it must not cover any part of the label where postage and fee information is to be recorded.

5-Be sure to obliterate any other addresses and barcodes on the outside of the parcel.

6-Take the parcel to a post office, drop it in a collection box, or give it to a postal carrier. No postage is due if mailed in the U.S.

7-Return receipt for merchandise, special handling or insurance is not required, but is the responsibility of the shipper if desired. For these services the parcel would need to be taken to a U.S. Post Office location.
